I. OPEN FORUM

II. ADMINISTRATIVE BODY REPORTS

- **Facilitator – Sean F**

Hello area,

I did attend the subcommittees on Sunday, and I will attend the Common Welfare subcommittee today. There was some good support for Hospitals and Institutions. Activities needs support and more members. I ran the Public Relations subcommittee meeting, and I will submit a separate report for that subcommittee. Public Relations is looking for a Facilitator and Co-Facilitator. So, please announce this at any meeting that you attend, or talk to friends in recovery about the great responsibility of Public Relations. If you, or anyone you know has used the website, called the

phone line, or seen more support for your small meeting, you have seen Public Relations working in your area.

This area needs a Co-Recorder. We have a wonderful Recorder at this time, and the minutes are some of the best that I have seen for this area in the last 25+ years. So, please spread the word that we need a CO-Recorder for the area.

And lastly, we need a Co-Facilitator for the area. This position is great for getting connected with the area, and seeing the passion that members have for the still suffering addict.

I forgot to mention in the September area that we needed all the subcommittee budgets turned in by the October area per the CTANA policy. I will attach the policy information on Budgets. I apologize for not bringing this information up sooner. I would love for the subcommittees to come up with the proposed budget for the next year before the next area and submit them to the treasurer so we can have the budgets in the December meeting where we can approve the budgets. Unless some of you can come up with your subcommittees budget by this area, and submit them to the treasurer, wink wink nudge nudge...

Policy Budget blurb Section 13

13.1 The Area Service Committee shall adopt a budget, making appropriations each fiscal term. The CTANA will be run on an annual budget from January 01 to December 31. Each budget shall specify the purpose and the amount of each appropriation, and include a statement of the estimated revenues and expenses;

13.2 The Prudent Reserve for the CTANA is \$1750.00.

13.3 All budget requests will be broken down into three categories: general expenses, travel, and projects;

13.4 Each budget request shall specify the purpose and the amount of each appropriation, and be as detailed as possible;

13.5 All Subcommittee Chairs and Administrative Committee members shall present their projected financial needs for the coming year in writing to the Treasurer no later than the October ASC meeting;

13.6 The CTANA budget for the following year shall be presented by the Treasurer in writing to the ASC November meeting. Subcommittee chairs will explain their requests to the ASC;

13.7 The proposed budget will be voted on during the November ASC meeting, and must be approved by a majority of the ASC;

13.8 The final budget as passed will be included in the November CTANA Minutes.

Now let us have a great area!

Hello All,

Welcome to Fall!!!!!! We have 1 outstanding check this month for 250.00 written Our Savior Lutheran for the Holiday Function for 250.00 which will show up on next months report I assume. I did get an email about phone.com but i'm not exactly sure what is going on with that. I was under the assumption that we were doing away with that service. I am still waiting on a invoice of some sort for the photo booth rental from Recover in the Park. As you can see there is a check for ASL Services for a total of 2 months. Speaking with Noah we have decided that it would be easier to issue one single payment from Area to the interpreter and him bring me the money that he collected instead of giving them 2 forms of payment. So area will issue a check for the full amount, and the money that the group collects will be given to area each month.

Questions and comments -

Stephanie – The phone.com bill keeps getting paid every month and whomever has the credentials to log in and stop payment

Geo – I can close it out. I have the credential. The helpline number that we published will stop being answered. We have been fighting to get the number raised by the number by phone.com. Tried repeatedly. Once it publish we should switch.

Becky – talks about the cost. i.e. flyers

Joey – as of right now we should keep paying the to keep the number.

Geo – alternative, there is not way we can make that change today. We should make a commitment to start switching off. Make a new number and once that old number goes ideal.

Stephaine- can both number be answer.

Geo – answer that question, leave the existing route in place so we can know the amount of volume is coming in.

Ray – Dever has a number that has the word DRUG in it.

Sean – look at good number to make and start using a new number to start the transition.

Allen – the 250 check is for subcommittee learning day a new check will be for the holiday check drive.

Cleto – questions on the meeting minutes delayed

Joey – TBRCNA donation is coming up.

The next Regional Service Committee (RSC) for the Texas Bluebonnet Region of NA (TBRNA) will meet in a hybrid format on Saturday November 15th 9am-5pm. Here's a link with all the location information: <https://tbrna.org/event/autumn-2025-regional-service-conference>

That upcoming RSC will include administrative body elections. Elections and nominations usually happen early in the agenda, so please participate if you're interested in getting involved in service at the regional level. The RCMs of TBRNA will also be bringing the consensus of their areas regarding the proposal our area brought to Region.

An important note is that TBRNA is navigating some major financial struggles, so any donations are appreciated.

Subcommittee Updates:

Texas Bluebonnet Regional Convention (TBRCNA) needs nominations for 2027 facilitator, co-facilitator, and treasurer. TBRCNA 2027 will be Feb. 12-14th at the Doubletree Hilton hotel here in Austin, so participation from CTANA would be especially handy. A flyer with TBRCNA subcommittee meeting info is attached below. Randie B. is going to be leading a subcommittee for contracts and archives and has a lifetime of relevant experience and is looking forward to helping with fellowship development in the process of doing logistics planning for TBRCNA.

The Regional Delegate for TBRNA shared some updates on NA World convention planning to minimize cost. There are discussions about holding the convention every 5 years instead of every year, and/or capping attendance at 12-15,000 people.

Anyone interested in improving public relations (PR) or fellowship development skills are invited to attend the regional PR subcommittee meeting and reach out to Patsy at natxservicegirl86@gmail.com to get her guidance on how to better support struggling meetings.

Narcotics Anonymous Texas (NATX) would appreciate it if folks would fill out the survey on the NATX website: <https://natexas.org/>

The adopt and Inmate program could use your support - please find details here to donate or get involved: <https://tbrna.org/adopt-an-inmate> and email sponsorship@tbrna.org if you are willing to sponsor an inmate.

Activities – Allen E

Let me start off by expressing my gratitude to all of the people who helped make the Subcommittee Learning Day event so successful! A shout out to Tracy, Ann Marie, Sean and Ximena for their next level service!!!

We had a budget of \$900.00 (\$250 rent+\$650.00 party expenses).

I've turned in receipts totaling \$591.17 along with \$59.00 in left over cash for a total of \$650.17.

I'm also turning in \$181.00 from 7th tradition donations.

I've attached two flyers for the upcoming H&I Book Drive and Holiday Dinner on December 6th from 4-9 pm at 1513 E. Yager Lane. Same location as the Halloween event.

I've included a link to the Sign Up Genius created for the holiday event. It has slots for sign up to be of service and pot luck entries.

We will need people to come early to help set up, and to stay late to help clean up! Doors will open at 3pm to set up, event starts at 4pm, Dinner served at 5pm, live auction at 6-6:30, speakers start at 7... times are approximate.

There are slots available for:

Set up/decorating

Kitchen/food service

Appetizers

Main dishes

Sides/salads

Desserts

Drinks

Clean up

Activities will provide coffee, tea, lemonade, and water, as well as three turkeys and three hams.

I'm asking for \$350.00 for rent (this includes the main room, kitchen and side rooms for outside conversations.

<https://www.signupgenius.com/go/10C044DAAAE2DA4F9C34-60133032-ctana>

\$1300.00 for the event itself to include turkeys/hams, decorations (including the tree and lights to be given away to a newcomer), and two large (5 or 10 gallon) drink coolers to make tea and lemonade in (to be labeled CTANA and kept in storage for further use), as well as a 120 qt cooler to be labeled CTANA and kept for future use) I've priced the drink coolers at \$35 each, and the 100-120 qt cooler is less than \$100.00

I've attached the budget for next year, and the Sign Up Genius link for the book drive.

In conclusion, I must thank Holly G. for all her hard work behind the scenes, and for creating the Sign Up Genius (as well as spell checking my reports so I don't appear illiterate 🙏).

ILS,

Allen E

Budget for next year:

Activities budget

This is the projected budget for the 2026 activities subcommittee.

I'm basing projections on current year expenses of \$3600.00 (\$1900.00 spent so far + \$1700.00 expected for the Holiday/H&I book drive).

We were a wash on expenses and returns for most of the first activities. We wound up in the black on the anniversary event due to t-shirt revenue.

Proposed budget for 2026:

all figures are estimates leaning towards the high end

CTANA camp out- \$900.00

CTANA anniversary- \$1300.00 (this includes a budget for shirt printing)

Subcommittee learning day- this could vary depending on if it's stand alone or combined with another event (like a dance)

On the high end \$900.00

Holiday H&I book drive - \$1500.00

Additional events- talent shows, recovery in the park etc... - \$600.00

Total budget of \$5200.00

Please keep in mind these are estimates, prices will vary and they are on the high end.

Questions and comments

Joey – Rent check I am writing out to the church directly? We collect a lot of money on T-shirt sales.

Ximena – Do you accept food donation for the holiday book drive.

- **Common Welfare – Anel**

Hi All-

Common Welfare met on Tuesday, October 28th, on zoom. Our timing was fortunate enough to catch a call back from Nick, project manager at the NA World Service Office. We reached out for clarification on the procedure surrounding altering NA literature (thank you to Leanne for facilitating the call). Nick explained that My Safety, Our Responsibility is Locally Approved Literature, not World Board Approved Literature, and as such can be altered to fit our needs.

Common Welfare was established by proposal and vote of the home groups, with one of its primary functions being to make literature and other resources available. When we created our budget for the year, we were advised not to include the cost of printing pamphlets since it wouldn't be a yearly expense. Our annual budget of \$200 has instead gone toward events like July's watch party for the open webinar from World on Predatory and Disruptive Behavior. The pamphlet My Safety, Our Responsibility - presented by World and available on NA.org (link below) - was approved for printing by our Area in August. Common Welfare was then asked to look into the printing costs. There is no expectation for any home group to take or display the pamphlets - Common Welfare is just making them available this one time as part of our service to this Area.

On the topic of cost, Global Printing Solutions sent over an updated estimate for printing. The cost of printing 500 pamphlets has gone down significantly. Please see below.

Count	Was	Now
250	\$ 349.04	\$ 331.72
500	\$ 677.75	\$ 598.54

Since we're able to make adjustments to the pamphlet, and printing was approved as part of our function back in August, the question now is simply: how many should we print? The Freedom Group had previously proposed printing 500 copies, though I'm not sure if that was ever voted on. My apologies for missing the last Area meeting — family obligations kept me away. Both we and Global Printing Solutions await this body's decision regarding the quantity.

If you would like to provide input on any future literature or functions supplied by Common Welfare, please join our sub-committee meetings! Our next meeting will be on December 2nd at 6pm on zoom. The link is available on ctana.org calendar.

Questions and comments

Sean we will have to discuss proposals in old business.

Anel – anything the is not an I.P is not allowed on the rack. The way it has been approved determines how they are displayed.

Anel – we are not alter the info in the pamphlet

Further discussion on the amount for order. 10 or 5 per group. We are printing it onetime. After that each group will have to take responsibility for more copies for themselves.

James – This is the pamphlet that common welfare has been talking about?

Rey – what is the blurb added to the back.

Anel -reads the blurb

James – asked question on the process

Paul – asked question from the his group

Anel – Budget is the same from last year.

Tasha – PR from region. She ask question on printing budget at the meeting.

I have no documenta5on / reports on whether or not any SPANISH CALLERS were received.

I am still waiting to hear from George if that system is in operating yet.

I have personally contacted all volunteers regarding adding 737-312-2778 to their phone contact list. That is the phone number YAP calls us from.

All shifts have at least 2 volunteers covering.

I verified with each volunteer their shift and willingness to cover.

The new system does not differen5ate between PRIMARY / ALTERNATE volunteers as before. Whoever picks up the phone first gets the call. The calls missed have gone up.

I thought there was a feature that allowed callers to leave a message, cannot locate that. Phone.com had that. Also on the phone log, report sheet it lists all the calls that were answered but not shift the calls that were not answered.

I emailed George and Steve from Region on these issues to get them corrected.

We still received another bill from PHONE.COM. The treasurer is aware and is still working to fix problems. I have asked on the CTANA Facebook page for PHONELINE VOLUNTEERS, Flexible hours.

I can place them anywhere they are available.

PLEASE ANNOUNCE THIS AT YOUR MEETINGS.

October 2025

Greetings all, first expression is gratitude for all addicts' n recovery that became Willing to participate in CTANA services, which is everyone! Thankk u!!! i am a grid worker, so serenity & peace during the seasonings is paramount for this addict! making mountains into mole hills this month we went to Manor meeting makers at 12800 Lexington St., Manor, TX. It was a beautiful small meeting in a lovely setting with lots of recovery.

Unfortunately, We did not generate the momentum for a large gathering and fellowship. however, I fully accept where we're at and I am learning a lot. For this I'm grateful.

It's a hard time usually during the holiday seasons for most addicts because of our memories and a lot of timeline triggers that occur during these seasons, so I don't feel that it is necessary to add extra fire or momentum to events if it's not necessary. This is a life or death disease. I fully understand that so, however we come together whenever we come together I am grateful and so it was a lovely meeting in manOr. I'll be going back and I hope that you will go check it out. thank you for your service. < turn FD into burning desire > reading chapter 11 "event planning" found by searching "what is NA Learning Day?"
