

HCANA:NIGHT FLOAT

AUGUST 13, 2022

Comal River at Hinman Island Park

We gather at the park. **Bring your own tube.** We all put on glow necklaces or bracelets. Bring a life jacket if you wish. The float takes about 2 hours. The walk back is 1/3 of a mile. Parking is free after 7 PM. No disposable beverage or food containers are allowed on the river. The water is 72 degrees, the air is warm, and most of the river is shallow enough to stand up.
